LEARN TO SURF & SEA-KAYAK

From complete beginners to intermediates, everyone can get involved! The group will be in the sea as much as possible, learning how to catch waves, stand up and get confident with the basics of surfing and sea-kayaking. All the activities we provide are challenging and show the importance of teamwork and the joy of being outdoors.

WATER AWARENESS & OTHER ACTIVITIES

Our days are full of adventure. Surfing, sea-kayaking, swimming, snorkeling and exploring the coastal marine environments. All our activities are designed to promote confidence, water awareness, environmental understanding and ocean conservation.

CLEANEST BEACH & WATER IN HONG KONG

Pak Lap Wan faces the Pacific Ocean making the water crystal clear and amazingly clean. The white sand beaches are stunning. The perfect place to learn to surf and sea-kayak.

PRIVATE BEACH FACILITIES

The beach side camping facilities at Pak Lap Wan are environmentally state of the art. We provide the latest, most comfortable camping gear. Safe, secure, comfortable and beautiful too!
